**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who chose a competitive provider like Sonic, because they provided the reliable technology to my neighborhood for fast and reliable broadband. Competition drives innovation and quality. I used to have ATT but they kept on raising their rates every month with no added benefit at all. Local broadband providers are critical to our home as telecommuters. PLEASE support broadband competition!
